

Social Media Hacks by Jared Oluwa

In 2024, there was a Music Brand that reached out to me. That wasn't random. The content & hashtags led them to me. But more importantly, people are going to look at your page to see these things...

- 1. How Many People Follow You**
- 2. What Content Are You Posting**
- 3. Are You Winning In That Field**
- 4. Consistent & Authentic Material**
